Grace Lutheran Church 920-848-2177

501 S. Main St.

Oconto Falls, WI 54154

Now in the sixth month the Angel
Gabriel was sent from God to a
city in Galilee called Nazareth
Matthew 1:26

Greetings Grace Family,

As we begin this season of Advent, we find ourselves at the beginning of the Church year. The Church calendar begins where it should and as it should – with the birth of our Savior! Advent is my favorite time of the year for many reasons. Maybe because black Friday and cyber Monday are finally over. Maybe it's because we've all fully recovered from all that turkey and that deer hunting season 2023 is a thing of the past.

But the main reason I like Advent is because it looks forward to things to come. The word Advent means "the arrival of a notable person, thing, or event." The Church usually recognizes Jesus first coming when He was born in Bethlehem, but Advent should also point us to His second coming. His arrival in Bethlehem was a long-awaited event in History. The Old Testament writers foretold the events that would take place and the cast of characters is extensive and significant.

The story really begins in the Old Testament with those prophets of old. They foretold the promise that God had in store for His entire creation. And then when the time was right, God sent His messenger to three different people that He had uniquely prepared for His purpose. Gabriel first visited a man named Zacharias and told him that his son would play a significant role in the Christmas story. (I have yet to see someone play the role of Zacharias in a Christmas pageant!) Then Gabriel pays a visit to Mary and then to Joseph and explains their roles as well.

There are many aspects we could focus on during these next 24 days. Our focus this year will be on using this season to build our relationship with our Creator. I'd like us to think of Advent similar to our approach to Lent. With the focus on God and our response to His greatest gift to us – the birth of His Son. With that being our focus and purpose, we'll challenge, support, and partner with each other to grow closer to God as individuals, as a Church, and as a community.

In His powerful grip!

Pastor Gary
